I am writing this letter to inform you that, to date, the City of Berlin has not spent any of the opioid litigation settlement funds.

Due to the small percentage of monies received and the magnitude of the problem, we are trying to pool together whatever limited resources we can to put towards education and assistance that will have the largest impact on this epidemic.

If additional information is needed, please contact this office at (603) 752-3131.

Sincerely,

A handwritten signature in black ink that reads "Peter Morency".
