

THINK TB, TEST FOR TB

WHEN YOU SEE PATIENTS WITH THESE SYMPTOMS,
ESPECIALLY THOSE FROM COUNTRIES WHERE
TUBERCULOSIS (TB) IS ENDEMIC.

**CHEST
PAIN**

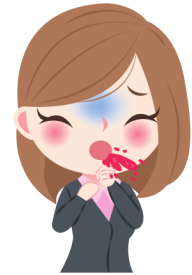

**WEIGHT
LOSS**

FEVER

**COUGHING
UP BLOOD**

**NO
APPETITE**

**SWEATING
AT NIGHT**

Call the NH Bureau of Infectious Disease Control for questions about testing, diagnosing or treating TB at 603-271-4496.
